The Great and venerable DaVinci and Michelangelo
have found it their police to think in sight. Their
memories be solid and of the purest gold
they have been honored to accept from his
majesty certain commitments and commissions
which I assure you will be carried out. with
the utmost skill ~~and~~ that only genius is
able to effect. The wine of Benedictk Chellini
runs in their veins. If you will pardon the
differences in time (historical). Of you - I am
honored to serve and as you know am now
suffering from some kind of physio nervous
break. However I think that there is much to
be accomplished and with the director's help
we cannot but win. Mental illness as it
difficult to describe. It is also difficult to
endure. Love Giuseppi
